MOTHER'S DAY PICNIC

Mangrove Mountain Union Church's Inaugural Mother's Day Picnic was held on May 14th, 2017. Approximately 70 people attended. The Little Quirks Band provided the musical background to a relaxing time under the gum trees. Those attending enjoyed their picnics, supplemented by delicious goodies sold by the committee. Plants were also available for sale. On the whole it a great fundraiser for the church with 100% of proceeds going towards the upkeep of our community's local historical building.

There are so many thank yous to be given:

- to Ryan for organising, advertising and all-round helping out
- to the Little Quirks who delighted all with their singing
- to Andreasens Green and Marian Grove Nurseries for their generous donations of quality plants
- to our brilliant artists for the work done on our mural to date and for enthusing the younger participants to add

their marks to the painting

- to the workers on the day, in the kitchen, in the ticket booth, in the church, around the grounds and selling plants
- to all who came and enjoyed a wonderful day relaxing under the gum trees and helping to support "the little white church on the hill"
- to our sponsor.

Thank you all.

Mangrove Mountain Union Church Committee
