

COMMUNITY NEWS

Issue 784 - 19th May 2017

Pages 8-9

A Massive Thank You

The deadline for this issue of the Community News occurred prior to the Mother's Day Picnic. Consequently, it is not possible to report on this inaugural event in this issue. However it should be noted that without the generous support of two of our local nurseries, the potential for an absolutely great day would not have been able to be realised.

Thanks to Andreasens Green and Marian Grove, an amazing plant sale was organised. Because of their generosity an incredible array of plants could be offered for sale at prices Bunnings can only dream of! Viburnums, hawthorns, liriopes, lilli pillies, photinias, strawberry, sweet potato and rhubarb plants as well as many beautiful pot plants were available at extremely competitive prices.

In addition, the committee of the Mangrove Mountain Union Church needs to acknowledge the tireless efforts of the organiser of "Blues on the Mountain", Ryan Howard, for his input into the event.

A **massive** thank you to all individuals and companies who helped to make this Mother's Day such a special one.

If you missed out on the plant sale this time around, there will be another opportunity to grab a bargain. As part of the Harvest Festival, Mangrove Mountain Union Church will be selling additional plants on June 10th and 11th from 10 am to 3 pm each day.
